Medicare Part D prescription drug coverage†

Most persons who are entitled to Medicaid benefits also get Extra Help from Medicare to pay for their prescription drug plan costs. Medicare provides Extra Help to pay prescription drug costs for people who have limited income and resources. If you are entitled to Extra Help, the deductible and coinsurance discussed below do not apply to you; instead please refer to the **Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**.

You may get up to a 90-day supply from a plan pharmacy, including our mail-order pharmacy except as noted:

- A supply greater than a 30-day supply isn't available for all drugs
- Not all drugs can be mailed
- If you live in a long-term care facility and get your drugs from their pharmacy, you pay the same copay or coinsurance as at a plan pharmacy and you can get up to a 31-day supply
- If you get covered Part D drugs from a non-plan pharmacy, you pay the same copay or coinsurance as at a plan pharmacy and you can get up to a 30-day supply. Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details

Deductible stage

You must pay the full cost for your Part D drugs until you have spent **\$415** on your drugs in 2019. Then you move on to the initial coverage stage.

Initial coverage stage

During this stage, you pay **25%** coinsurance for your Part D drugs until your total yearly drug costs reach **\$3,820**. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the \$3,820 limit, you move on to the coverage gap stage and your coverage changes.

Coverage gap and catastrophic coverage stages

The coverage gap stage begins if you or a Part D plan spends **\$3,820** on your drugs during 2019. You pay **37%** coinsurance for generic drugs and **25%** coinsurance plus a portion of the dispensing fee for brand name drugs during this stage.

If you spend **\$5,100** on your Part D prescription drug costs in 2019, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your coinsurance will change for the rest of the year. To find out what you would pay during this stage, see the **Evidence of Coverage**.

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.

- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
 - Care from plan providers in another Kaiser Permanente Region
 - Emergency care
 - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
 - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers.

For details about coverage rules, including services that aren't covered (exclusions), see the **Evidence of Coverage**.

Note: You may use your Original Medicare benefits separately from our plan and pay Original Medicare coinsurance and deductibles. Look in your current “**Medicare & You**” handbook for the coverage and costs of Original Medicare. View it online at **medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. To find our provider locations, see our **Provider Directory** or **Pharmacy Directory** at **kp.org/directory** or ask us to mail you a copy by calling Member Services at **1-888-777-5536**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You must choose one of our available plan providers to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at **kp.org**.

Help managing conditions

If you have more than 1 ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details.

Helpful definitions (glossary)

Benefit period

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

Calendar year

The year that starts on January 1 and ends on December 31.

Coinsurance

A percentage you pay of our plan's total charges for certain services or prescription drugs. For example, a 20% coinsurance for a \$200 item means you pay \$40.

Copay

The set amount you pay for covered services — for example, a \$20 copay for an office visit.

Deductible

It's the amount you must pay for Medicare Part D drugs before you will enter the initial coverage stage.

Evidence of Coverage

A document that explains in detail your plan benefits and how your plan works.

Maximum out-of-pocket responsibility

The most you'll pay in copays or coinsurance each calendar year for services that are subject to the maximum. If you reach the maximum, you won't have to pay any more copays or coinsurance for services subject to the maximum for the rest of the year.

Medically necessary

Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

Non-plan provider

A provider or facility that doesn't have an agreement with Kaiser Permanente to deliver care to our members.

Plan

Kaiser Permanente Medicare Plus.

Plan premium

The amount you pay for your Kaiser Permanente Medicare Plus health care and prescription drug coverage.

Plan provider

A plan or network provider can be a facility, like a hospital or pharmacy, or a health care professional, like a doctor or nurse.

Preferred pharmacy

A plan pharmacy where you can get your Medicare Part B covered prescriptions at preferred copays. These pharmacies are usually located at plan medical offices (see the **Pharmacy Directory** for locations). The amount you pay at these pharmacies is less than you pay at other plan pharmacies that only offer standard copays, which are referred to in this document as standard pharmacies.

Prior authorization

Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). Services or items subject to prior authorization are flagged with a † symbol in this document.

Region

A Kaiser Foundation Health Plan organization. We have Kaiser Permanente Regions located in Northern California, Southern California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington, D.C.

Standard pharmacy

A plan pharmacy where you can get your Medicare Part B covered prescriptions at standard copays. These pharmacies aren't usually located at plan medical offices (see the **Pharmacy Directory** for locations). The amount you pay at these pharmacies is more than you pay at plan pharmacies that only offer preferred copays, which are referred to in this document as preferred pharmacies.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-888-777-5536** (TTY **711**), 7 days a week, 8 a.m. to 8 p.m.

Understanding the Benefits

- Review the full list of benefits found in the *Evidence of Coverage* (EOC), especially for those services that you routinely see a doctor. Visit **kp.org/medicare** or call **1-888-777-5536** (TTY **711**), to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

In the District of Columbia, Kaiser Permanente is an HMO plan with a Medicare contract. In Maryland, Kaiser Permanente is a Cost plan and an HMO plan with a Medicare contract. In Virginia, Kaiser Permanente is a Cost plan with a Medicare contract. Enrollment in Kaiser Permanente depends on contract renewal.
