

Annual Notice of Changes for 2020

You are currently enrolled as a member of Kaiser Permanente Senior Advantage Core. Next year, there will be some changes to our plan's costs and benefits. This booklet tells about the changes.

You have from October 15 until December 7 to make changes to your Medicare coverage for next year.

What to do now

1. ASK: Which changes apply to you?

- Check the changes to our benefits and costs to see if they affect you.
 - It's important to review your coverage now to make sure it will meet your needs next year.
 - Do the changes affect the services you use?
 - Look in Section 1 for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
 - Will your drugs be covered?
 - Are your drugs in a different tier, with different cost-sharing?
 - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
 - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
 - Review the 2020 Drug List and look in Section 1.6 for information about changes to our drug coverage.
 - Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices, visit <https://go.medicare.gov/drugprices>. These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.
- Check to see if your doctors and other providers will be in our network next year.
 - Are your doctors, including specialists you see regularly, in our network?
 - What about the hospitals or other providers you use?
 - Look in Section 1.3 for information about our **Provider Directory**.

- Think about your overall health care costs.
 - How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
 - How much will you spend on your premium and deductibles?
 - How do your total plan costs compare to other Medicare coverage options?

- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices.

- Check coverage and costs of plans in your area.
 - Use the personalized search feature on the Medicare Plan Finder at **<https://www.medicare.gov>** website. Click "Find health & drug plans."
 - Review the list in the back of your **Medicare & You** handbook.
 - Look in Section 3.2 to learn more about your choices.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan.

- If you want to **keep** our plan, you don't need to do anything. You will stay in our plan.
- To change to a **different plan** that may better meet your needs, you can switch plans between October 15 and December 7.

4. ENROLL: To change plans, join a plan between October 15 and December 7, 2019.

- If you don't **join another plan by December 7, 2019**, you will stay in our plan.
- If you **join another plan by December 7, 2019**, your new coverage will start on **January 1, 2020**.

Monthly premium without Advantage Plus (You must also continue to pay your Medicare Part B premium.)	\$0	\$0
Monthly premium with Advantage Plus One of these plan premiums applies to you only if you are enrolled in one or both of our optional supplemental benefits packages, called Advantage Plus. (You must also continue to pay your Medicare Part B premium.)

- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving "Extra Help" with your prescription drug costs.

Section 1.2. Changes to your maximum out-of-pocket amount

To protect you, Medicare requires all health plans to limit how much you pay "out-of-pocket" during the year. This limit is called the "maximum out-of-pocket amount." Once you reach this amount, you generally pay nothing for covered Part A and Part B services (and other health care services not covered by Medicare as described in Chapter 4 of the **Evidence of Coverage**) for the rest of the year.

Cost	2019 (this year)	2020 (next year)
<p>Maximum out-of-pocket amount</p> <p>Your costs for covered medical services (such as copayments) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.</p>	<p>\$5,900</p>	<p style="text-align: center;">\$4,700</p> <p>Once you have paid \$4,700 out-of-pocket for covered Part A and Part B services (and certain health care services not covered by Medicare), you will pay nothing for these covered services for the rest of the calendar year.</p>

Section 1.3. Changes to the provider network

Our network has changed more than usual for 2020. An updated **Provider Directory** is located on our website at kp.org/directory. You may also call Member Services for updated provider information or to ask us to mail you a **Provider Directory**. We strongly suggest that you review our current **Provider Directory** to see if your providers (primary care provider, specialists, hospitals, etc.) are still in our network.

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan, you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment, you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 1.4. Changes to the pharmacy network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost-sharing, which may offer you lower cost-sharing than the standard cost-sharing offered by other network pharmacies for some drugs.

Our network has changed more than usual for 2020. An updated **Pharmacy Directory** is located on our website at kp.org/directory. You may also call Member Services for updated provider information or to ask us to mail you a **Pharmacy Directory**. We strongly suggest that you review our current **Pharmacy Directory** to see if your pharmacy is still in our network.

Section 1.5. Changes to benefits and costs for medical services

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, "Medical Benefits Chart (what is covered and what you pay)," in your 2020 **Evidence of Coverage**.

Section 1.6. Changes to Part D prescription drug coverage

Changes to our Drug List

Our list of covered drugs is called a formulary, or Drug List. A copy of our Drug List is provided electronically at kp.org/seniorrx.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.

If you are affected by a change in drug coverage, you can:

- Work with your doctor (or other prescriber) and ask the plan to make an exception to cover the drug. We encourage current members to ask for an exception before next year.
 - ◆ To learn what you must do to ask for an exception, see Chapter 9 of your **Evidence of Coverage**, "What to do if you have a problem or complaint (coverage decisions, appeals, and complaints)" or call Member Services.
- Work with your doctor (or other prescriber) to find a different drug that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy.

Note: Certain drugs have been removed from our 2020 Drug List. If your drug has been removed from our Drug List, you can discuss with your physician if there are other drugs on our Drug List that will work for you. If your physician determines that the other drugs will not work for you, you or your physician can request that we make a formulary exception. If we approve your request, you will pay the cost-sharing applicable to Tier 4 drugs (nonpreferred brand-name). In addition, if we approved a formulary exception for you during 2019, you or your physician will need to ask us for a formulary exception for 2020.

Most of the changes in our Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

When we make these changes to our Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about changes we may make to our Drug List, see Chapter 5, Section 6, of the **Evidence of Coverage**.)

Changes to prescription drug costs

Note: If you are in a program that helps pay for your drugs ("Extra Help"), the information about costs for Part D prescription drugs does not apply to you. We sent you a separate document, called the "**Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. If you receive "Extra Help" and haven't received this rider by September 30, 2019, please call Member Services and ask for the "LIS Rider." Phone numbers for Member Services are in Section 7.1 of this booklet.

There are four "drug payment stages." How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2, of your **Evidence of Coverage** for more information about the stages.)

The information below shows the changes for next year to the first two stages—the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages—the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the **Evidence of Coverage**, which is located on our website at kp.org/eocnoco. You may also call Member Services to ask us to mail you an **Evidence of Coverage**.)

Changes to the Deductible Stage

Stage	2019 (this year)	2020 (next year)
<p>Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your Tier 3 (preferred brand-name drugs), Tier 4 (nonpreferred brand-name drugs), and Tier 5 (specialty drugs) until you have reached the yearly deductible.</p>	<p>Because we have no deductible, this payment stage does not apply to you.</p>	<p>The deductible is \$240. Changes to your cost-sharing in the Initial Coverage Stage

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, "Types of out-of-pocket costs you may pay for covered drugs," in your **Evidence of Coverage**.

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages—the Coverage Gap Stage and the Catastrophic Coverage Stage—are for people with high drug costs. Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage. For the Coverage Gap Stage, for drugs on Tier 1, Tier 2, and Tier 6, your cost-sharing is changing from a copayment to coinsurance. For information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your **Evidence of Coverage**.

Section 2. Administrative changes

Cost	2019 (this year)	2020 (next year)
Failure to pay monthly plan premiums	A past due notice is sent if your plan premium is not received by the monthly due date. The notice includes potential consequences if payment is not received by the specified due date, including termination of plan membership.	A past due notice is sent if your plan premium is not received by the monthly due date. The notice includes potential consequences if payment is not received by the specified due date, including termination of optional supplemental benefits if applicable.

Section 3. Deciding which plan to choose

Section 3.1. If you want to stay in our plan

To stay in our plan you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2020.

Section 3.2. If you want to change plans

We hope to keep you as a member next year, but if you want to change for 2020, follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan timely.
- Or you can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, read **Medicare & You 2020**, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click "Find health & drug plans." Here, you can find information about costs, coverage, and quality ratings for Medicare plans.

As a reminder, Kaiser Permanente offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts

Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from our plan.
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan. You will automatically be disenrolled from our plan.
- To change to Original Medicare without a prescription drug plan, you must either:
 - ◆ Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 7.1 of this booklet).
 - ◆ Or contact **Medicare** at **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call **1-877-486-2048**.

Section 4. Deadline for changing plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from October 15 until December 7. The change will take effect on January 1, 2020.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 10, Section 2.3, of the **Evidence of Coverage**.

If you enrolled in a Medicare Advantage plan for January 1, 2020, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare

prescription drug coverage) between January 1 and March 31, 2020. For more information, see Chapter 10, Section 2.2, of the **Evidence of Coverage**.

Section 5. Programs that offer free counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Colorado, the SHIP is called Colorado State Health Insurance Assistance Program.

Colorado State Health Insurance Assistance Program is independent (not connected with any insurance company or health plan). It is a state program that gets money from the federal government to give free local health insurance counseling to people with Medicare. Colorado State Health Insurance Assistance Program counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Colorado State Health Insurance Assistance Program at **1-888-696-7213**. You can learn more about Colorado State Health Insurance Assistance Program by visiting their website (<https://www.colorado.gov/pacific/dora/senior-healthcare-medicare>).

Section 6. Programs that help pay for prescription drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don't even know it. To see if you qualify, call:
 - ◆ **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**, 24 hours a day/7 days a week;
 - ◆ The Social Security office at **1-800-772-1213** between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call, **1-800-325-0778** (applications); or
 - ◆ Your state Medicaid office (applications).
- **Help from your state's pharmaceutical assistance program.** Colorado has a program called Bridging the Gap Colorado that helps people pay for prescription drugs based on their financial need, age, or medical condition. To learn more about the program, check with your State Health Insurance Assistance Program (the name and phone numbers for this organization are in Section 5 of this booklet).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/underinsured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through **Bridging the Gap Colorado**. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call **Bridging the Gap Colorado** at **303-692-2716**.
