Additionally, Mid-Atlantic Permanente Medical Group has more primary care physicians recognized by the National Committee for Quality Assurance than any other medical group in Maryland, Virginia or Washington, D.C. for the Diabetes Recognition Program (DRP), which is a clinical review of evidence-based care provided to patients with diabetes.

Hospitals*

The hospitals listed in **bold**, which are our premier hospitals, have Kaiser Permanente doctors and specialists available 24 hours a day, seven days a week. Our Kaiser Permanente doctors and specialists will provide medical and surgical care for admitted Kaiser Permanente members and coordinate care with the member's primary care provider.
