Medicare Part D prescription drug coverage

Most persons who are entitled to Medicaid benefits also get Extra Help from Medicare to pay for their prescription drug plan costs. Medicare provides Extra Help to pay prescription drug costs for people who have limited income and resources. If you are entitled to Extra Help, the copayments and coinsurance discussed below do not apply to you; instead please refer to the **Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs**.

If you are not entitled to Extra Help, the amount you pay for drugs will be different depending on:

- The tier your drug is in. To find out which of the 6 tiers your drug is in, see our Part D formulary at kp.org/seniorrx or call Member Services to ask for a copy at **1-800-232-4404**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).
- Your drug quantity (like a 30-day or 90-day supply). Note: A 90-day supply isn't available for all drugs.
- When you get a 90-day supply, whether you get your prescription filled by one of our retail plan pharmacies or our mail-order pharmacy. Note: Not all drugs can be mailed.
- The coverage stage you're in (initial, coverage gap, or catastrophic coverage stages).

Initial coverage stage

You pay the copays and coinsurance shown in the chart below until your total yearly drug costs reach **\$3,750**. (Total yearly drug costs are the amounts paid by both you and any Part D plan during a calendar year.) If you reach the \$3,750 limit, you move on to the coverage gap stage and your coverage changes.

Drug tier	You pay
Tier 1 (Preferred Generic)	\$8 (up to a 30-day supply)
Tier 2 (Generic)	\$16 (up to a 30-day supply)
Tier 3 (Preferred Brand)	\$45 (up to a 30-day supply)
Tier 4 (Nonpreferred Brand)	\$100 (up to a 30-day supply)
Tier 5 (Specialty Tier)	33% coinsurance
Tier 6 (Vaccines)	\$0

When you get a 31- to 90-day supply, you will pay the following for drugs in Tiers 1-4:

- If you get a 31- to 60-day supply from a plan pharmacy (retail or mail order), you pay 2 copays.
- If you get a 61- to 90-day supply from one of our retail pharmacies, you pay 3 copays.
- If you get a 61- to 90-day supply from our mail-order pharmacy, you pay 2 copays.

Coverage gap and catastrophic coverage stages

The coverage gap stage begins if you or a Part D plan spends **\$3,750** on your drugs during 2018. You pay the following copays and coinsurance during the coverage gap stage:

Drug tier	You Pay
Tiers 1 and 2	44% coinsurance
Tiers 3 – 6	35% coinsurance and a part of the dispensing fee

If you spend **\$5,000** on your Part D prescription drug costs in 2018, you'll enter the catastrophic coverage stage. Most people never reach this stage, but if you do, your copays and coinsurance will change for the rest of the year. To find out what you would pay during this stage, see the **Evidence of Coverage**.

Long-term care and non-plan pharmacies

If you live in a long-term care facility and get your drugs from their pharmacy, you pay the same as at a plan pharmacy and you can get up to a 31-day supply. If you get covered Part D drugs from a non-plan pharmacy, you pay the same as at a plan pharmacy and you can get up to a 30-day supply.

Generally, we cover drugs filled at a non-plan pharmacy only when you can't use a network pharmacy, like during a disaster. See the **Evidence of Coverage** for details.

Advantage Plus (optional benefits)

In addition to the benefits that come with your plan, you can choose to buy a supplemental benefit package called Advantage Plus. Advantage Plus gives you extra coverage for an additional monthly cost that's added to your monthly plan premium. See the **Evidence of Coverage** for details.

Advantage Plus benefits and premiums	You pay
Additional monthly premium	\$15
Eyewear \$500 allowance to buy eyewear every 2 years	If your eyewear costs more than \$500, you pay the difference.
Hearing aids \$500 allowance to buy 1 aid, per ear every 3 years	If your hearing aid costs more than \$500 per ear, you pay the difference.
Dental care DeltaCare® USA Dental HMO Program	Varies depending on the dental service. See the Evidence of Coverage for details.

Who can enroll

You can sign up for this plan if:

- You have both Medicare Part A and Part B. (To get and keep Medicare, most people must pay Medicare premiums directly to Medicare. These are separate from the premiums you pay our plan.)
- You have Medicaid benefits.
- You're a citizen or lawfully present in the United States.
- You don't have end-stage renal disease (ESRD) unless you got ESRD when you were already a member of one of our plans or you were a member of a different plan that ended.
- You live in our plan's service area, which includes:
 - Cherokee, Clayton, Cobb, Coweta, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, and Henry counties
 - These ZIP codes in Paulding County: 30127, 30134, and 30141

Coverage rules

We cover the services and items listed in this document and the **Evidence of Coverage**, if:

- The services or items are medically necessary.
- The services and items are considered reasonable and necessary according to Original Medicare's standards.
- You get all covered services and items from plan providers listed in our **Provider Directory** and **Pharmacy Directory**. But there are exceptions to this rule. We also cover:
 - Care from plan providers in another Kaiser Permanente Region
 - Emergency care
 - Out-of-area dialysis care
 - Out-of-area urgent care (covered inside the service area from plan providers and in rare situations from non-plan providers)
 - Referrals to non-plan providers if you got approval in advance (prior authorization) from our plan in writing

Note: You pay the same plan copays and coinsurance when you get covered care listed above from non-plan providers.

Referrals

Your plan provider must make a referral before you can get most services or items. But a referral **isn't** needed for the following:

- Emergency services
- Flu shots, hepatitis B vaccinations, and pneumonia vaccinations given by a plan provider
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're temporarily outside our service area
- Mental health services provided by a plan provider
- Optometry services provided by a plan provider
- Preventive care
- Routine women's health care provided by a plan provider

- Specialty care or second opinions from a Medical Group provider
- Urgently needed services from plan providers
- Urgently needed services from non-plan providers when plan providers are temporarily unavailable or inaccessible — for example, when you're temporarily outside of our service area

Prior authorization

Some services or items are covered only if your plan provider gets approval in advance from our plan (sometimes called prior authorization). These are some services and items that require prior authorization:

- Durable medical equipment
- Nonemergency ambulance services
- Post-stabilization care following emergency care from non-plan providers
- Prosthetic and orthotic devices
- Referrals to non-plan providers if services aren't available from plan providers
- Skilled nursing facility care
- Transplants

For details about coverage rules, including services that aren't covered (exclusions), see the **Evidence of Coverage**.

Getting care

At most of our plan facilities, you can usually get all the covered services you need, including specialty care, pharmacy, and lab work. To find our provider locations, see our **Provider Directory** or **Pharmacy Directory** at kp.org/directory or ask us to mail you a copy by calling Member Services at **1-800-232-4404**, 7 days a week, 8 a.m. to 8 p.m. (TTY **711**).

The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

Your personal doctor

Your personal doctor (also called a primary care physician) will give you primary care and will help coordinate your care, including hospital stays, referrals to specialists, and prior authorizations. Most personal doctors are in internal medicine or family practice. You must choose one of our available plan providers to be your personal doctor. You can change your doctor at any time and for any reason. You can choose or change your doctor by calling Member Services or at kp.org.

Help managing conditions

If you have more than 1 ongoing health condition and need help managing your care, we can help. Our case management programs bring together nurses, social workers, and your personal doctor to help you manage your conditions. The program provides education and teaches self-care skills. If you're interested, please ask your personal doctor for more information.

Notices

Appeals and grievances

You can ask us to provide or pay for an item or service you think should be covered. If we say no, you can ask us to reconsider our decision. This is called an appeal. You can ask for a fast decision if you think waiting could put your health at risk. If your doctor agrees, we'll speed up our decision.

If you have a complaint that's not about coverage, you can file a grievance with us. See the **Evidence of Coverage** for details.

Kaiser Permanente is an HMO SNP with a Medicare contract and a contract with the state Medicaid program. Enrollment in Kaiser Permanente depends on contract renewal. This contract is renewed annually by the Centers for Medicare & Medicaid Services (CMS). By law, our plan or CMS can choose not to renew our Medicare contract.

The benefit information provided is a brief summary, not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, premiums, and/or copayments/coinsurance may change on January 1 of each year. You must continue to pay your Medicare Part B premium. If you receive Extra Help to pay for Medicare Part D prescription drug coverage, premiums and cost sharing will vary based on the level of Extra Help you receive. Please contact the plan for further details.

If you want to know more about the coverage and costs of Original Medicare, look in your current “**Medicare & You**” handbook. View it online at **medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Helpful definitions (glossary)

Allowance

A dollar amount you can use toward the purchase of an item. If the price of the item is more than the allowance, you pay the excess.

Benefit period

The way our plan measures your use of skilled nursing facility services. A benefit period starts the day you go into a hospital or skilled nursing facility (SNF). The benefit period ends when you haven't gotten any inpatient hospital care or skilled care in an SNF for 60 days in a row. The benefit period isn't tied to a calendar year. There's no limit to how many benefit periods you can have or how long a benefit period can be.

Calendar year

The year that starts on January 1 and ends on December 31.

Coinsurance

A percentage you pay of our plan's total charges for certain services or prescription drugs. For example, a 20% coinsurance for a \$200 item means you pay \$40.

Copay

The set amount you pay for covered services — for example, a \$20 copay for an office visit.

Evidence of Coverage

A document that explains in detail your plan benefits and how your plan works.

Maximum out-of-pocket responsibility

Medically necessary

Services, supplies, or drugs that are needed for the prevention, diagnosis, or treatment of your medical condition and meet accepted standards of medical practice.

A provider or facility that doesn't have an agreement with Kaiser Permanente to deliver care to our members.
